The Honorable Alejandro Mayorkas
Secretary
U.S. Department of Homeland Security
301 7th Street SW
Washington, DC 20528

Dear Secretary Mayorkas:

The Biden Administration's radical immigration policies have caused a humanitarian and security crisis along our southwest border. As the Secretary of Homeland Security, you are responsible for carrying out President Biden's far-left immigration policies. Republicans on the Judiciary Committee have been seeking your testimony since April 15, 2021, and we are heartened that you have finally agreed to testify in person before the Committee on Thursday, April 28, 2022.

The American people deserve answers and accountability for the Biden Administration's lawlessness along the southwest border. Accordingly, to ensure that your appearance generates a fruitful discussion, we ask that you come prepared to address in detail the Biden Administration's immigration policies and programs, including but not limited to the following points:

- All data related to Customs and Border Protection encounters and gotaways at the southwest border since January 20, 2021;
- All data related to interior enforcement since January 20, 2021;
- The Biden Administration's reinstatement of the Migrant Protection Protocols;
- The Biden Administration's plan for processing at the southwest border after Title 42 is rescinded; and
- The administration of other immigration-related programs within the Department of Homeland Security under the jurisdiction of the Committee such as Afghan Special Immigrant Visas, Temporary Protected Status, and immigration benefits.

We look forward to your appearance before the Committee.

Sincerely,

Jim Jordan
Ranking Member
